EDUCATION

Texas A&M University - College of Engineering   **Estimated Graduation –** *May 2026*
B.S. Computer Science   **GPA: 4.000**

WORK EXPERIENCE

IT Internship – RealManage/CiraConnect   **Summers of June 2021 – August 2023**
Desktop Support Technician   *Plano, TX*
- Worked as a team to identify and solve issues faced by others. Tasks included laptop repair, computer imaging, solving email issues, on-boarding and off-boarding employees, and password resets.
- Improved both hardware and software computer skills, experimenting with both to create solutions to complex and varies problems.

Yard Maintenance – Self-Employed Raking Business   **October 2018 – March 2021**
Yard Worker   *Frisco, TX*
- Maintained a healthy business environment and established firm connections with many clients, ensuring the best possible experience for both workers and clients.
- Created and upheld a budgeting system that set aside some income for various work expenses, such as utilities and provisions.

Activities

Aggie Coding Club (ACC)   **Fall 2023 - Present**
Member   *College Station, TX*
- Improving my programming abilities by posing projects that involved higher understanding of how different functions and aspects of coding interact with one another.
- Facilitating growth of group communication skills with projects in which it was necessary to divide work amongst each other to create a fluid and seamless program.

Texas A&M Cybersecurity Club   **Fall 2023 - Present**
Member   *College Station, TX*
- Increasing my problem-solving capabilities through many challenges that required critical thinking.
- Improving my offensive and defensive coding abilities through projects and competitions that need a balance of both of these skills.

Hullabaloo Band   **Fall 2023 - Present**
Member   *College Station, TX*
- Creating opportunities to improve time management and technical abilities through rehearsals, sport events, and time spent practicing.
- Improving social skills and group collaboration, focusing on self-responsibility when issues arise within the band to resolve the issues as effectively as possible.

Phi Eta Sigma Honor Society   **Spring 2023 - Present**
Member   *College Station, TX*
- Honed my academic capabilities to remain focused and educated in all aspects of my academic life to uphold an A average.
